The Le Contour pillow uses open-cell foam. Use the following steps to clean:

1. Prepare a cleaning solution of one (1) tbsp. of liquid dish detergent and two (2) tbsp. of household bleach with one (1) gallon of water.
2. Remove the padding material within the pillow.
3. Clean the fabric case exterior and interior surfaces with a sponge or soft cloth dipped in the cleaning solution and then rinse in warm water and let air dry.
4. Rinse the padding material with water and then set out to air dry.
5. Replace dry cushion into pillow case.
