## Bliss Walk-in Tubs (A Veteran-Owned Enterprise) Responds to Call for Businesses to Hire U.S. Military Veterans

- Newest addition to company's staff is veteran of U.S. Air Force
- Bliss walk-in tubs eligible for purchase under VA's HISA program

**Pasadena, CA (December 11, 2011) - Bliss Tubs**, a manufacturer and nationwide distributor of quality walk-in tubs, today announced the hiring of a U.S. military veteran for its production team. This newest addition to the company's staff completed a two year stint in the U.S. Air Force. Bliss Tubs is a veteran-owned California-based business is on the approved vendor list of the Veterans Administration.

In particular, Bliss Walk-in Tubs are eligible for purchase via the V.A.'s HISA program. Under the HISA (Home Improvements and Structural Alterations) program, veterans with service-connected disabilities or veterans with nonservice-connected disabilities may receive assistance for any home improvement necessary for the continuation of treatment or for disability access to the home and essential lavatory and sanitary facilities.

A HISA grant is available to veterans who have received a medical determination indicating that improvements and structural alterations are necessary or appropriate for the effective and economical treatment of his/her disability.

A veteran may receive both a HISA grant and either a SHA (Special Home Adaptation Grant) or SAH (Specially Adapted Housing) grant. The HISA program is available for both service-connected veterans and non service-connected veterans.

- Home improvement benefits up to \$6,800 may be provided to service-connected veterans.
- Home improvement benefits up to \$2,000 may be provided to nonservice-connected veterans.

## **The Benefits of a Walk-in Tub**

A walk-in tub is one of the best investments for a senior citizen. A walk-in tub can help the mobility-impaired avoid costly and painful slips and falls and stay in their homes longer. Physicians recommend bathing to help alleviate symptoms of arthritis and other conditions and to facilitate a good night's sleep. For more on the health benefits of the walk-in tub, see <http://www.blisstubs.com/benefits.htm>.

## **About Bliss Tubs**

Bliss Tubs, which has been manufacturing quality walk-in bathtubs in its Southern California facility since 2008, is one of the few walk-in tub manufacturers to achieve an Underwriters Laboratory (UL) certification. All Bliss Walk-in Tubs are constructed out of durable gel-coated fiberglass supported by a sturdy rustproof stainless steel frame. At the customer's option, Bliss Walk-in Tubs incorporate air and water jet massage systems and equipment provided by leading suppliers to the U.S. spa industry.
